Cancellation/booking policy & refunds –

Deposit/booking payment

Upon payment of the deposit, this shows your commitment and intent to attend the holiday booked, secures you a place and is non-fundable. However, if you have to cancel for an unforeseen reason your place will be re-advertised and bookable for another person. If your place is filled, you will receive a full refund of your deposit. If the place is not filled, we will not be able to offer you refund for the deposit payment.

Payment policy

After you have made a deposit payment and secured your place on a holiday, the remaining amount to make up the FULL PAYMENT must be made by 5 months before your Holiday start date. If full payment is not made by this date, it will result in you losing your place on the holiday and your place will be readvertised. You will receive a refund if your place gets filled, if not then deposit payment will be kept (*see deposit/booking payment policy*).

Cancellation policy

If you must cancel your place for an unforeseen reason/circumstance, if it's more than 5 months before the start date of your holiday, you will be offered a refund of **£370**, only if full payment has been made. Please note that your deposit will be kept, until/if your place has been filled, in which case you will receive a FULL REFUND of **£650** for the total amount of the holiday.

If you cancel more than 3 months before your holiday start date, after paying the full amount, you will be offered a partial refund of **£270**. Please note that your deposit will be kept, until/if your place has been filled, in which case you will receive a FULL REFUND of **£650** for the total amount of the holiday.

If you cancel within 3 months of your holiday start date, your full payment will be kept and you will only receive a FULL REFUND of **£650** if your place gets filled by another person.

Operator cancellation policy

In the highly unlikely event that WE have to cancel your holiday for an unforeseen reason, you will be offered either a credit-note for the full value of your holiday OR a FULL REFUND.

NOTE: we always encourage you to take out your own travel insurance policy to cover any unforeseen travel changes/flight cancellations etc.
